Essay Question

(please attach separate sheet)

Daily money management choices directly impact your financial future. In most instances, we never get to practice making the "right" choices. Finances 101, an online reality game created by credit unions, allows users to experience real-life financial decisions in a virtual world. Spend time playing the Finances 101 game and answer the essay question below. The essay can be written in 1st or 3rd person and should refer to concepts taught during the Finances 101 game. www.finances101thegame.org

How can strong money management skills help an individual establish a stable financial future?

(All applicants will receive consideration for the Scholarship without regard to sex, race, color, national origin or ancestry, religion or handicap)
