

iPhone/iPod Touch Mobile Banking Instructions

In order to enroll in Mobile Banking, you must be enrolled in CUOnline Home Banking.

Downloading Application

To download the Directions Credit Union Mobile Banking application, search "Directions Mobile Banking" in the iTunes store or the App Store. If you have any questions on how to download applications through iTunes or the App Store, please refer to www.apple.com for further instructions.

Registering Device

1. Retrieve your UDID number by connecting your device to your computer and loading iTunes *or* by utilizing the UDID Tool/App. You will find the UDID by selecting your device on the left menu. From there, click on the serial number in the middle screen to reveal the Identifier (UDID). To Copy this number, go to Edit -> Copy.
2. Login to CUOnline Home Banking.
3. Click on Mobile Banking at the top menu.
4. Select iPhone next to the device type. (You will also select this type for iPod Touch.)
5. Enter the UDID number into the Device ID box (Right click on the Device ID box and select Paste to paste in the UDID number).
6. Enter the Mobile Number of the device in the box (*This step is optional*).
7. Click Register.
8. You can now sign into Mobile Banking on your device using your Directions Credit Union member number and password.
